
What is the North American Fastpitch Association?

NAFA is the North American Fastpitch Association. We are a very successful Fastpitch organization that is the fastest growing Fastpitch association in North America. Due to our success many directors from multiple Fastpitch groups have joined our group giving us an even greater presence throughout North America. We are dedicated to our teams, directors and umpires and that is why we are having such success. We put the teams first! Come join us in a great environment where everyone is important to each other.
